CAUTION - This book was designed to provide Club members, as experienced skippers, with information about the Club and includes some cruising information about the waters covered. While great effort was taken to make the SYC Annual complete and accurate, it is possible that oversights, differences of interpretation, and factual errors may be found. Thus none of the information contained in the book is warranted to be accurate or appropriate for any specific need. Furthermore variations in weather and sea conditions, a mariner's skill and experience, and the presence of luck (good and bad) can dictate a mariner's proper course of action. The SYC Annual should be used as a reference only, and not a substitute for official government charts, tide and current tables, coast pilots, sailing directions, contact information, and local notices to mariners. The publishers, editors, and authors assume no liability for errors or omissions, or for any loss or damages incurred from the use of this publication.

SYC COMMODORE'S MESSAGE

With the introduction to the Semiahmoo Yacht Club in 2017 by Jamey & Sharon Paterson, Lexie and I have begun a great adventure that exceeded our wildest dreams. We have met so many amazing members and have been introduced to many beautiful destinations on both sides of the border.

As I enter my 5th year on the board, having been on the board now for 4 years, with 2 years as Communications Officer, 1 year as Rear Commodore, and last year as Vice Commodore, I am grateful for your trust and support as I assume the position as Commodore.

This year's theme is "Happiness Comes in Waves". As we venture into 2023, we are excited to be able to make our own waves on both sides of the Border. With the border being opened in April last year we are hoping the past is behind us. I would like to thank Wayne Kuypers for all he did for SYC in 2022, and with the help of the Flag officers they did an amazing job of putting on a great slate of events under restricted border conditions.

For 2023, we have an amazing slate of Flag officers who are volunteering their talents and skills to bring a great line up of various land and cruise events on both sides of the border. Make sure you follow our Borderline communications to keep up with all the events that will be happening in 2023.

As Commodore, I am requesting your help in making this year a great success. With the many events that are coming up we require hosts & co-hosts to help make all our events as great a success as I know you want them to be. Please let Mel Kolstad (Rear Commodore) and Vern Bastable (Fleet Captain) know if you are interested in hosting or co-hosting.

So far this year we have established an Annual Committee who are working hard to put a helpful and informative annual together for club members to use at home and on their boats. We also have a Budget Committee who are working to be good stewards of the funds in our SYC budget.

With the help of many members, we are highlighting, safety, educational and helpful information, to make your boating experience safer and more pleasurable.

Lexie and I want to thank all our past and present Flag officers, and all the members who help make Semiahmoo Yacht Club a great organization on Land and Water.

Bruce Dalzell
Commodore

VISION STATEMENT

SYC offers activities and benefits to exceed member expectations.

GOALS FOR 2023

- To promote the safe and orderly participation of members in boating activities.
 - To operate a non-profit organization effectively and efficiently to support boating activities for the benefit of members.
 - Further the education of youth in boating activities.
 - To promote on-water and social activities for members.
-

2023 THEME

"Happiness Comes in Waves"

SYC PAST COMMODORE'S MESSAGE

What an honor and privilege it has been to serve you as your Commodore!

It was just 12 months ago that I introduced myself and the 2022 SYC boating season. Seems now it was just yesterday; time surely does fly when you are enjoying oneself. OPTIMISM was my message back then as we emerged from the doldrums of Covid. I hope that your year was fulfilled as wonderfully as my family and I.

SYC has succeeded in producing a full agenda of Land events with many Nauti-Fridays, Opening Day, Three Commodore's Balls (two wrapped into the opening day), ending with our Christmas Party. A full array of on the water boating events, starting the Icebreaker in April and including the most prestigious Pig Roast with the beloved Hardman's in late July. What a full and wonderful boating season.

The support of the membership and enthusiasm of the Board of Directors has been nothing short of breathtaking after coming out of the past two plus years. I would like to thank all for the positive response. We all have been very fortunate to have a very strong board this past year and I found their support in the role of leadership for myself. "Many thanks to them." I am confident your new Commodore Bruce Dalzell will have everything well under control with their support in 2023. I would be remiss after acknowledging the capable board of directors that I have had the privilege of working with, if I did not bring to attention my loving wife and partner, Diane. Diane has worked tirelessly and diligently on every project I have undertaken with SYC and many behind the scenes endeavors on her own initiative. Diane continues to amaze me with her many talents even after 57 years of marriage.

As with everything in life, you get out what you put into it. Upon looking back over the past wonderful season, as Past Commodore I encourage you to all get involved in the coming year's events both on land and on the water. I know from experience the more you become involved, the more fun and enjoyment you will garner from your participation.

In the words of one of our Past Commodores, "I wish you a wonderful year of safe boating."

Thanks for the opportunity of serving as your Commodore.

Wayne Kuypers

Past Commodore

2023 SYC EXECUTIVE OFFICERS

Commodore: **Bruce Dalzell**

(604) 530-5732

commodore@semiahmooyachtclub.org

Overall responsibility for operation of the club along with the help of the other Board members.

Past Commodore: **Wayne Kuypers**

(604) 834-8811

pastcommodore@semiahmooyachtclub.org

The principal function of the Past Commodore is to make available to the Commodore and other Board members the benefit of his or her experience in managing the affairs of the Club gained during the period of time he or she served on the Board.

Vice Commodore: **Paul Dumbleton**

(604) 308-3001

vicecommodore@semiahmooyachtclub.org

Membership and in the absence if the Commodore the Vice Commodore shall perform the Commodore's duties.

Rear Commodore: **Mel Kolstad**

(360) 758-2015

rearcommodore@semiahmooyachtclub.org

Land Events planning and booking, especially Opening Day and Commodore's Ball.

Secretary (Acting)*: **Sharon Paterson**

(604) 290-4055

secretary@semiahmooyachtclub.org

Record and distribute monthly board, nominations meeting and AGM meeting minutes to executive board.

Treasurer(Acting)*: **Joan Shemly**

(778) 836-7834

treasurer@semiahmooyachtclub.org

The Treasurer maintains the club's accounts and issues the monthly statements for the club. This position manages the club's banking, budgeting, insurance coverage and tax reporting.

Fleet Captain: **Vern Bastable**

(604) 346-8579

fleetcaptain@semiahmooyachtclub.org

The Fleet Captain is responsible for planning and executing the Club's annual cruising program.

Port Captain: **Blain Burfield**
(936) 662-6758

portcaptain@semiahmooyachtclub.org

The Port Captain shall be the liaison with the Harbor Master and other Yacht Clubs and shall be responsible for the reception of visiting yachtsmen from other yacht clubs

Communications Officer: **Debbie Manchur**
(905) 626-4250

communications@semiahmooyachtclub.org

Works closely with SYC Board of Directors and Committee Chairs to ensure that the Club's communications are clear, professionally produced and distributed in a timely manner. Creation of monthly Borderlines, overall responsibility for the creation of the Annual, content management for www.semiahmooyachtclub.org, and Social media sites.

Judge Advocate: **Dick Hardman**
(360) 398-3773

judgeadvocate@semiahmooyachtclub.org

The Judge Advocate provides review to existing by-laws of SYC and to make recommendations, when appropriate, to changing existing by-laws.

Note: Secretary and Treasurer are currently held by Sharon Paterson and Joan Shemly temporarily. We are looking for members to fill these roles on an ongoing basis.

SYC Updates

SYC – WOW! Our 2023 calendar is full of fun filled destinations @ educational activities. We're all looking forward to participation with enthusiasm. Join in!

The Blaine Marina, where SYC is headquartered, provides a destination with shopping, restaurants, marine facilities and many city sponsored activities. One such attraction is the Blaine Marine Park located directly across the street from ,the marina. The park is in the process of refurbishment. SYC, to show appreciation for the warm welcome to the city and marina, has donated six(6) cement tables and benches proposing they be placed in the marine park area for use by the community and marina boaters.

Throughout this annual you may find many maritime, community, youth, educational and humanitarian causes supported by our caring, fun-loving SYC members.

SYC welcomes like minded boaters as new members. Encourage your boater friends to join!

Colleen M. Hardman

BARCLAY SOUND DREAM TRIP

By J. Rieg

We have long dreamed of going to Barclay Sound on the west coast of Vancouver Island, but the skipper had been reluctant to try the voyage out through Juan de Fuca and into the ocean. Some fellow club members planned a trip in 2018, and we decided to give it a try. After attending the pig roast on Gabriola Island we were making our way south through the Gulf Islands to the planned rendezvous when we received a phone call with a family emergency. We decided to try the Barclay Sound trip the following year.

The next year came with the Covid-19 pandemic and the border closing as did the following year.

Finally in 2022, we met with a few club members (Karneys, Budnarchuks, Myers, Shemlys) to take the trip which started in Cadboro Bay at the Royal Victoria Yacht Club. The rains and fog also joined us there to the extent that we delayed our departure one day. On the next morning we set out from RVYC to take the trip to Port Renfrew through the mist. Arrival at Port Renfrew was uneventful after about 7 hours of traveling. On the next day it was on to Barclay Sound arriving at Port Desire in a little over 6 hours. Then we were off to Bamfield in the dinghy (for ice cream) and later moving to Nettle Island, then to Turtle Island and to Turret Island. The anchorages were protected and uncrowded, and side trips led by club members to the sea caves and a lagoon for exploring were wonderful. Next we broke off from the group to get some provisioning in Ucluelet where met Gerry Heys, and we enjoyed a couple of restaurant meals, and more ice cream.

We then left for Pipestem Inlet back into the eastern part of Barclay Sound. We found a little bay whose only occupant was a small female black bear who visited the beach every morning, crunching on oysters. We stayed for a second night so that the maintenance crew (me) could repair a nasty plumbing problem (most plumbing problems on a boat are nasty). There is an inlet that leads to Lucky Creek waterfall which we did by dinghy, a beautiful unspoiled piece of wilderness. Next we were on to Williams Island and then to Joe's Bay to meet up with our group for the trip to return home.

The homeward trip to Port Renfrew presented us with 8 foot swells and a not so smooth ride. Fortunately the next day's voyage to Sooke was very calm and a shorter journey. After Sooke we went to Garrison Bay on San Juan Island. While there, we jointly had a boating realization that we had accomplished a long sought goal of reaching Barclay Sound, and we had reached the end of our 37 year boating journey. We had become aware in the last few years that long voyages of over 4 hours caused the skipper to get very tired and be less effective at managing the boat. In the next few weeks the boat was sold and we are now looking to find other adventures that we can take during our "senior" years. We have WONDERFUL memories of our boating trips.

ICE BREAKER CRUISE STUART ISLAND

Date Scheduled: April 21 -23 Prevost Harbor on Stuart Island

Cruise Host: Walter & Joan Shemly

Co-Host: Don & Helen Budnarchuk

We will again be gathering at Prevost Harbor on Stuart Island enjoying a fun filled woodsy, causal weekend, centered on a campfire and fun activities. Friday night please bring Heavy Appies to share for Happy Hour weather permitting on the Dock.

After our Saturday Morning coffee and Muffin break, it is for you to discover Stuart Island and the Harbor, hiking, kayaking or relaxing, or a potential hike to the light house. Later in the afternoon, we will start preparing and taking wood and supplies to the picnic area. We will gather at the picnic area for happy hour. Dinner will be the traditional Wiener Roast provided by SYC.

At Prevost Harbor there is a 128 feet of dock space, rafting is allowed, 7 buoys (\$15.00 per night) and there is plenty of room to drop anchor. Park fees (0.70 cents per foot per night on the dock will apply if you do not have a 2023 Park Pass. There are no garbage facilities and potable water is not available till May. Facilities ashore include pit toilets. There is a pump-out station and portable dump at Reid Harbor.

Please remember that Stuart Island is a pack-in pack-out Marina Park. You must take all your garbage home with you.

MEMORIAL DAY LONG WEEKEND

Date Scheduled: May 26 – 29

Roche Harbor, San Juan Island Channel 78A

Cruise Hosts: Bruce & Lexie Dalzell

Co-Host: TBA

Welcome to Roche Harbor Marina.... The gem of the San Jaun Islands. It has delivered fun and friendly service in the San Juan for over 60 years, accommodating boats of all size of boats and amp power. Call 1-800-586-3590 to reserve your slip, plus contact your Hosts

The amenities are endless. First the essentials ... showers and laundry services. A grocery store stocked with everything you need plus wine, beer and spirits. There are two cafes/ pubs. Local artist will display their works for sale. Also gift shops plus don't forget their freshly baked Donuts. Fuel Dock with Diesel and unleaded and pump-out station or Mobile pump-out

There is plenty to do while staying at Roche Harbor, Kayaking and outdoor swimming pool, walk through the San Juan Islands Sculpture Park just across the street from the Marina. Walk to the San Juan Gin Distillery, or a short walk to the After Glow Vista, formally known as the John S McMillin Memorial Mausoleum (https://en.wikipedia.org/wiki/Afterglow_Vista. You can plan a picnic and take your tender over to the English Camp at Garrison Bay.

And don't forget just before sunset each night Roche Harbor retire the flags of Roche Harbor, Washington State, Great Britain, Canada and the USA.

There is a paid shuttle service to Friday Harbor and much much more. You are never disappointed when you visit Roche Harbor.

SUCIA ISLAND SHRIMP BOIL

Date Scheduled: June 9 – 11th Fossil Bay

Cruise Host: Mark & Esther Clarkson

Co-Hosts: TBA

This is a fun filled weekend with a high-lighted Saturday meal of shrimp supplied by SYC and on Sunday morning an Omelet Breakfast. SYC has rented the Picnic Shelter for this event.

Sucia Island is surrounded by picturesque rocks and smaller islands. Known for its emerald waters and forested trails, it magnificent sunsets and sandstone formations.

At Fossil Bay there are two mooring docks, 16 buoys (\$15.00 per night) and there is plenty of room to drop anchor. Park fees (0.70 cents per foot per night on the Docks) will apply if you do not have a 2023 Park Pass. There are no garbage facilities and potable water is available. Facilities ashore include pit toilets.

Please remember that Stuart Island is a pack-in pack-out Marina Park. You must take all your garbage home with you.

CANADA DAY CRUISE

Date Schedule June 30 – July 3

Port Sidney Marina and Winter Cove Saturna Island

Cruise Host: Laura Moore-Demsey

Co-host: Vern Bastable

We will be returning to Port Sidney Marina and we will add an all new day trip optional for those interested to Winter Cove on Saturna Island for a Canada Day Lamb BBQ a Family Fun Day.

The activities will begin on June 30th but any member wishing to arrive early are encourage to arrive a day early, Laura and Vern will be there on June 29.

June 30th Dock Party from 4:00 to 9:00, later that evening around dusk will be Sidney pre Canada Fireworks

July 1st Members have to options – Vern will lead the trip be over to Winter Cove on Saturna Island to attend the Canada Day Lamb BBQ. Or you can stay at Sidney and attend their Pancake Breakfast followed by Canada Day Parade.

July 2nd Members can join your hosts on a bus to Butchart Gardens and be treated to a Concert in the Gardens.

July 3rd On our last morning at Sidney will be a potluck breakfast before your departure home or to other destinations.

Don't forget **July 4th** SYC BBQ and Blaine Fireworks.

LUAU/PIG ROAST & BOCCÉ BALL TOURNAMENT

Date Scheduled: July 14th - 16th 2023

Silva Bay, Gabriola Island

Cruise Hosts: Dick & Colleen Hardman

**Co-Hosts: Walter & Joan Shemly, Bob & Pat Simpson
and Laura Moore-Dempsey**

This will be the 10th+ time the Luau/Pig Roast for SYC has been held @ the Hardman's home @ Silva Bay, Gabriola Island. Anyone who has attended in the past will attest to the warm & generous hospitality of Dick & Colleen Hardman. The special weekend starts Friday evening with Apppies on the dock @ Silva Bay Marina. Saturday @ about 8 a.m., the pig is placed into the pit for roasting. The fun & occasionally competitive Bocce Tournament begins @ 12 p.m. @ the Hardman's orchard meadow. All are encouraged to participate. If you win, your name can be emblazoned on the coveted SYC Trophy for Bocce Ball excellence! The pig will be lifted out around 4:30; it's always a spectacle & fun to watch.

If you are not familiar with Silva Bay, it is an excellent first 'stop' when cruising from the mainland or later on your way back from a northern cruise. There are numerous anchorages to explore in the area & a quick passage to Nanaimo from Silva Bay.

Be sure you book early for the Luau/Pig Roast in Silva Bay. Pages Marina (250) 247-8931 or Silva Bay Marina (250) 247-8662. Be sure you mention Semiahmoo Yacht Club when calling for reservations and slip assignments.

If you know you are attending, PLEASE contact Colleen Hardman by e-mail to let her know where mooring, number in party, & whose signing up for Bocce. Email Colleen @ dickcolleen@comcast.net.

EXTENDED CRUISES

Join your fellow boaters for SYC Extended Cruise to Marinas on the west coast of Washington and the San Juan Islands. Come for the whole trip or join us for the weekend or anytime in between. While at Anacortes, Port Townsend, and Friday Harbor, there is so much to see and do at these stops you will be looking forward to our final destination at a Washington State Marine Park, back to nature.

1ST STOP: ANACORTES

**Friday July 21 -23
Cap Sante Marina**

If you have never been to Anacortes before you are in for a treat. Across the street from the Marina you can stock at Safeway. Shall we plan a Dock Heavy Appies the first night?

On Saturday morning is Anacortes Farmer Market, then walk downtown to look at the many gift, craft and boutique stores, restaurants and pubs.

And for the Captains there are Marine and Hardware store for them. Plus you don't want to miss visiting the Maritime Heritage Center and a tour of the W.T. Steamboat.

2ND STOP:

PORT TOWNSEND

**Sunday July 23 - 25
Port Hudson Marina**

Cruise Host: Vern Bastable

Port Townsend is another historical town, with lots to see and explore, Art Galleries, Museums, Antique

Store and Victorian architecture homes. Plus many fine restaurants

Your host Vern is organizing a visit to Sampson Boat Co, where they are restoring an old historical sailing yacht the Tally Ho.

3rd Stop: Friday Harbor

**The Port of Friday Harbor
Tuesday July 25 - 27**

Friday Harbor is another historic seaport, it is one square mile filled with locally owned shops, restaurants, pubs, galleries and museums. For a day adventure you can take the Bus around the island.

Final Stop: TBA

**Stuart Reid Harbor or Sucia Island
July 27 - 29**

Our final stop will be at a Washington State Marine Park, where you can either drop anchor, tie up to a buoy or the Government dock, space permitting. Final destination will be updated in the Borderlines.

Reservations need to be made in advance for the Marinas, slips are limited. Please contact Vern Bastable SYC Fleet Captain if you are interested in joining the Extended Cruise.

A full literary will be provided in the Borderlines.

Bob Webber Memorial Fishing Derby

**Sucia Island, Fossil Bay
August 25-27**

This popular event is back. We had to cancel last year because fishing was closed in Marine Area 7 – San Juan Islands. Hopefully this won't happen again this year

Friday August 25

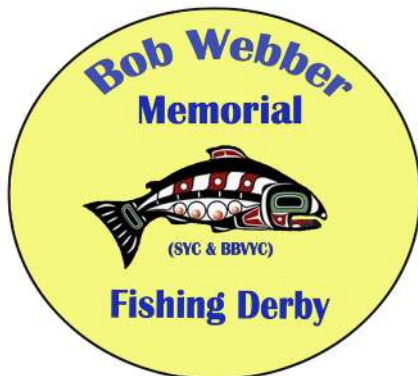

Arrivals,
Evening Heavy Appies

Saturday Aug 26

Fishing Derby
Dinner – Salmon?
Fishing Bragging Rights

Sunday August 27

Depart

If you are planning to attend, please contact Vern Bastable.

LABOUR DAY WEEKEND CRUISE

**September 1-3
Rosario Resort and Marina
Orcas Island**

This cruise is our season closing event. Last year we did not hold this event as there was not enough interest from the membership to make it happen. I don't know if this is too late in the summer or if I choose a poor location but hopefully this year will receive more support and make a come back. This year we have chosen the Rosario Resort and Marina to serve as the location.

Please let your Fleet Captain Vern Bastable know if you would be able to step into the role of Host or Co-Host for this event by email at vernb@me.com and lets bring back this event for 2023!

VICTORIA CRUISE

By Debbie Manchur

When the club announced a cruise to Victoria for July 1, 2022, Francois and I really wanted to participate. We were still in between Toronto and Vancouver, with a house staged for sale, where we couldn't do anything except wait for a buyer. Plus our daughter was having our first granddaughter in early August - but who can predict an exact birth date?

We ended up coming back to Vancouver early June and made sure that the boat was in good working order. We spoke to many people, some boaters at the marina but mostly club members to see what their recommendations would be to make safe passage to Victoria. We planned a route which gave us a few days of flexibility to have a relaxed cruise and time for currents, especially where the Haro Straits meet the Juan de Fuca, which we heard could be terrifying to say the least.

Off we went, day one making it to one of our favorite spots in Bedwell Harbour. Some of you may be familiar with Poet's Cove as it is a check-in spot for Canadian Customs. The crossing of the Straits of Georgia went well as we had watched the weather. From Bedwell, we passed the Sidney Spit and turned southerly to get into Carboro Bay. We didn't go deep into the bay, however fellow SYC members Steven Mohr and Michele Fraser anchored out near the yacht club, which ended up being a quieter spot. They headed out an hour before us and we met up in Victoria.

I was at the helm heading into Victoria, and even as one watches the harbor, a large Ferry somehow snuck up behind me so we had to zip along, still minding the speed limit, and make for safe passage over to the Greater Victoria Harbour Authority. By that point, I had handed the helm back to Captain Francois to get us into the assigned slip.

We met new members, had great appetizers together, held Sing-a-longs in the Shemly's Westbay "Mariner". We enjoyed the sites in Victoria which we found more fun by boat than by car, and joined several SYC members for great Dim Sum in the oldest Chinese neighborhoods in North America.

We left a couple of days later, into fog. We were extremely happy to have a new radar system and AIS installed on our boat. We

were much more at ease with additional knowledge of our surroundings. From there, we continued to cruise the southern end of the Gulf Islands for a couple of weeks and heading back to Toronto for the birth of our beautiful Granddaughter in late July. She's a Leo, just like Grandmaman!

SE Alaska May 2016

By Richard & Cheryl Karney

I had been to SE Alaska twice before, once on a commercial Seiner and once with Cheryl cruising on a friend's boat. I had done the Inside Passage bringing the Seiner back

to Bellingham but for Cheryl the Inside Passage Cruise would be her first.

We found this Classic boat at the Victoria Classic Boat Festival in the fall of 2015. We both loved it, so we persuaded two other couples to join us on a cruise up the inside Passage in the spring of 2016.

The boat was an 1931, 86 foot Classic Fantail Motor Yacht owned by a Seattle guy named Ben Swanson The boat winters in Lake Union and spends the summers in SE Alaska on Charters. It came with a crew of 5, which included a Gourmet Chef, a former TV celebrity Chef from the Show "Master Chef" all food, beer and wine was included, as well as Kayaks and Skiffs.

The Inside Passage cruise normally starts in Seattle but for us Capt. Ben agreed to conveniently pick us up in Anacortes. The itinerary was somewhat flexible but included stops at Nanaimo, Cambell River, Blunden Harbor, Pruth Bay, Baker Inlet, Shearwater, Ketchikan, Petersburg, Tracy Arm (Glaciers), Juneau and several other lesser known anchorages along the way.

The boat cruised at a leisurely 10 knots and was whisper quiet and exceptionally smooth, Meals were over the top with a lot of fresh caught local seafood. It was really a treat not to have to provision, worry about breakdowns, weather decisions or dragging anchor among other things. We got to see a lot of wildlife, Black Bear, Brown Bear, Wolves, Sea Otter and of course, a lot of Whales.

Our favorite stop was Petersburg. We happened to be there for their Nordic Festival which really made our day. The cruise ended in Juneau, so we flew from there to Sitka for a couple days to cap off the trip. Returned home via Alaska Air to Bellingham. Would definitely do it again. Actually we did just that 2 years later. That time a 1929 76 foot boat out of Friday Harbor. 4 guests, 2 crew, custom itinerary. Caught a 65 Lb. halibut on that cruise!

Hospitality Dock

Thanks to the gracious hospitality of Dick & Colleen Hardman, SYC members have the use of their dock at the south end of Silva Bay on Gabriola Island in British Columbia. When you visit please leave the area better than you found it – and help in the garden is always appreciated!

Check in: Call ahead to make sure space is available. The Hardmans may not be there so slips are available on a first-come, first-served basis. Their phone number is 250.247.9228. Their email address is dickcolleen@comcast.net and the address is 3245 Coast Road, Gabriola, BC V0R 1X7.

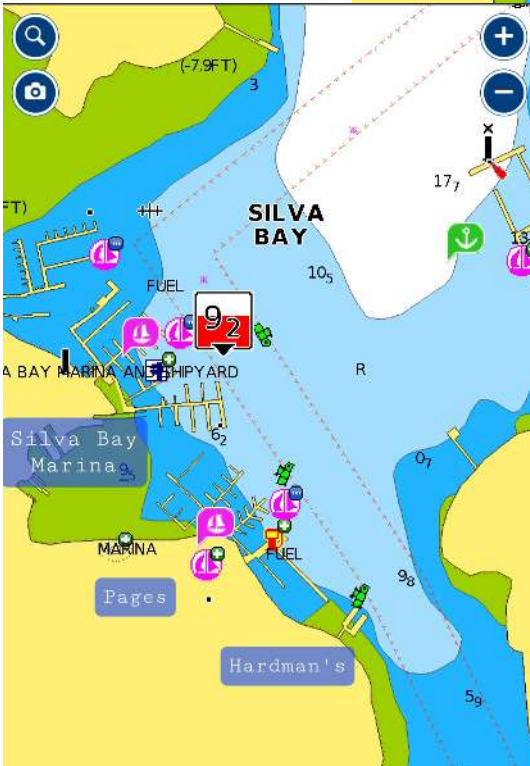

Facilities: The dock configuration allows for several boats and two 30-amp power sources. Water is sometimes plentiful, however, being on an island makes water a precious commodity. Water is not to be used for washing down boats.

Courtesy: Please limit your stay to a 48-hr. maximum.

Moorage can also be found at Page's Marina (250) 247-8931 or mail@pages-resort.com and at Silva Bay Marina (250) 247-8662 Ext. 8 or info@silvabay.com. Both marinas monitor VHF 66A.

It is also to be understood "Use of Dock and Grounds Are At Your Own Risk".

Enjoy your stay and kindly write a short thank you note to the Hardmans when you use their docks.

**Union SteamShip
Marina Resort
& Cottages**

Union Steamship Co. Marina, located at the head of Snug Cove, Bowen Island, is a first-class year-round facility with plenty of space for visiting boats from 20 to 200 feet. A collection of unique shops, restaurants and a chandlery are all within walking distance. Full service boaters lounge, a pump-out station and Free WiFi. Original Steamship Cottages are available for overnight lodging and group functions. All surrounded by 600 acres of park.

2023 SYC ANNUAL BORDER INFORMATION

Boaters....leaving USA for Canada?...leaving Canada for the USA? Below is some helpful border crossing reporting information for your marine travels....note that the information below is just a guide and can be changed by respective governments at any time. Be sure to explore the links below and other relevant information to ensure you understand current requirements!

Canada to USA:

The Small Vessel Reporting System (SVRS) is no longer in service and float plans will no longer be accepted. Boaters looking for a new, faster way to report their arrival and/or apply for a registered boater program may use the CBP ROAM app, available for free on the Apple App and Google Play stores. Boaters may also continue to report their arrival via designated telephone reporting numbers, if desired. The links below provide details as well as links to additional informational websites.

<https://www.cbp.gov/travel/pleasure-boats-private-flyers/pleasure-boat-overview>

<https://www.cbp.gov/travel/pleasure-boats/pleasure-boat-overview/roam>

<https://www.cbp.gov/travel/pleasure-boats-private-flyers/pleasure-boat-locations/psound-ne-wa>

https://help.cbp.gov/s/article/Article-67?language=en_US

USA to Canada:

It appears visitors to Canada (and returning Canadian citizens) no longer need to fill out ArriveCan app information before entry, but it is optional. However, CBSA reporting requirements must be followed. The links below provide details as well as links to additional informational websites.

<https://www.cbsa-asfc.gc.ca/travel-voyage/pb-pp-eng.html>

<https://www.cbsa-asfc.gc.ca/services/travel-voyage/prog/nexus/how-utiliser-eng.html>

<https://cbsa-asfc.gc.ca/do-rb/services/nexusmarine-nexusmaritime-eng.html>

Covid-19 Information for Canada:

https://travel.gc.ca/travel-covid?utm_campaign=gac-amc-covidoct1-22-23&utm_source=covid-vaccinated-travellers-entering-canada&utm_medium=redirect&utm_content=en&utm_campaign=cbsa-asfc-covid19-22-23&utm_source=mdpr&utm_medium=mdpr&utm_content=bordermeasures-boaters-april-en

Covid-19 Information for USA:

<https://travel.state.gov/content/travel/en/traveladvisories/covid-19-travel-information.html>

CONTINUED

Declaration of Food Items:

Unfortunately there is not one comprehensive website that covers admissibility of all food items to each country. Allowable items can change daily and can be confirmed by calling border services in each country. Some general guidelines are available through the following websites and associated links.

USA:

<https://www.cbp.gov/travel/international-visitors/agricultural-items>
https://help.cbp.gov/s/article/Article-3619?language=en_US#:~:text=1%20Condiments%3A%20ketchup%20%28catsup%29%2C%20mustard%2C%20mayonnaise%2C%20Marmite%20and,does%20not%20contain%20meat%20are%20admissible.%20More%20items

Canada:

<https://inspection.canada.ca/food-safety-for-consumers/bringing-food-into-canada-for-personal-use/eng/1389630031549/1389630282362>

REGULATIONS AND LAWS

As a responsible boater, we should always be aware of the actual laws and regulations of the waters we boat in. The following websites provide good information and can be accessed through the following links:

The US Coast Guard:

<https://www.uscgboating.org/regulations/>

Washington State Parks:

<https://www.parks.wa.gov/>

For Canadian waters, please refer to Transport Canada and the Safe Boating Guide:

<https://tc.canada.ca/en/marine-transportation>

https://tc.canada.ca/sites/default/files/migrated/tp_511e.pdf.

Boating BC also provides useful information on Safety.

<https://www.boatingbc.ca/cpages/safe-boating>.

Canadian Coast Guard information please visit:

<https://www.ccg-gcc.gc.ca/index-eng.html>

Captain Competence:

United States: (“Each state has unique boating education requirements, and the boating rules, laws and regulations vary from state to state for obtaining a boat license or safety certification.”)

“Washington State Boater Education Card”:

<https://www.parks.wa.gov/442/Mandatory-Boater-Education>

- Map showing which American states have a mandatory boater education law:
<http://www.americasboatingcourse.com/lawsbystate.cfm>
- Each state has their own set of rules relating to requirements for boater education / licensing
<https://www.boat-ed.com/blog/do-i-need-a-drivers-license-to-drive-a-boat/>

Canada: “Pleasure Craft Operator Card” (PCOC)

<https://tc.canada.ca/en/marine-transportation/marine-safety/operator-card-pcoc-faq>

VHF:

Refer to the FCC in the United States: www.fcc.gov/wireless/bureau-division/maritime-mobile/ship-radio/ship-radio-stations

In Canada, Page 60 of the Safe Boating Guide https://tc.canada.ca/sites/default/files/migrated/tp_511e.pdf

Good Boating practices:

Can you remember all the knots and how to tie them? Looking for tips on anchoring? How to safely pass a boater? Most of this information can be found at Discover Boating <https://www.discoverboating.com/>

Good Samaritan Law:

With regards to assisting other boaters in distress, please be aware of the Good Samaritan laws:

For the US, USC Office of the law Revision Council, United States Code refer to: <http://uscode.house.gov/view.xhtml?req=samaritan&f=treesort&fq=true&num=12&hl=true&edition=prelim&granuleId=USC-prelim-title46-section2303>

In the Canadian province of BC, the Good Samaritan Law can be found at https://www.bclaws.gov.bc.ca/civix/document/id/complete/statreg/96172_01

Whale Protection zones:

Have you had the call from the local Coast Guard that you are in protected waters? Here is a good website to check on the Whale protections zones, in the San Juan and Gulf Islands from the Be Whale Wise Organization: <https://www.bewhalewise.org/know-the-zones/>

Your First Aid Kit:

Carrying a comprehensive first aid kit in a watertight container on board means you have the ability to help whatever the circumstances.

A good first aid kit should include:

- Gauze, bandages and waterproof band-aids
- Adhesive tape
- Gloves
- Scissors
- Antiseptic
- Pain relievers
- Tweezers
- Anti-histamines
- Anti-nausea medication
- Sunscreen
- Spare prescription medications
- Emergency blankets

The above is not a comprehensive list. Both Boat US and Discover Boating have more details on their website. Also check the American or Canadian Red Cross Organization. For the United States, an official government-source documenting the regulations on the contents of your on-board First Aid Kit was not found. Canada does publish Small Vessel Regulations (SOR/2010-91) - First Aid Kit" <https://laws-lois.justice.gc.ca/eng/regulations/sor-2010-91/page-2.html>

Any crew member of a vessel should have appropriate operator licensing before taking a seat at the helm.

This above information should be used as a reference only and is not a substitute for official Government publications, charts, tide and current tables, coast pilots, sailing directions, contact information and local notices to Mariners. The authors assume no liability for errors or omissions, of any loss or damage incurred from the use of this information.

Cruising with Kids

By Helen Budnarchuk

Cruising with grandkids is such a fun and memorable thing to do for both for the children and adults. We have cruised with kids as young as two years of age with their parents and as young as 3 years of age without parents.

Set the Rules

Children must be potty trained, and they are comfortable sleeping in their own bed or space (cuddles and snuggles in bed are a must)

That is pretty much it...

- We do some extra planning to accommodate 😊
- The age of child, which does require a little extra preparation in the food department and snacks that are suitable. We have found that all the grandkids no matter the age love to help prepare and contribute to the meal planning and certainly they all love to contribute to a potluck events. We always allow them to make suggestions on what to bring and prepare which results in some very elaborate dishes to simple wieners and cheese on a stick.
- We always have books and literature on the boat so we can identify birds, sea stars, shells, mushrooms etc....it is always fun to come back from a hike or paddle and dig out the books to identify what we saw and found. As the kids get older, the hunt become more challenging .
- We always ensure that have some activities that are age appropriate for down time – We bring things like coloring supplies, extra paper, and card games.
- They all...no matter the age they all love to attend the dress up events, so we always try and include them when possible. They all...no matter the age love to capture Sea Stars and Moon Jellies and other seaside creatures so they can hold them and look closely at them...it is always great fun peering into a bucket full of Moon Jellies.
- They all...no matter the age love to take on some sort or responsibility, from simple things like holding a rope, filling water tanks or driving the tender or whatever would be appropriate... but they love being involved
- They all...no matter the age love to hang off the back of the boat in the dark with a light to see what creatures come to the surface...one of the last things we always do before bedtime to see if there is any bioluminescence...which changes bedtime
- We also play a game/tourney of sorts every evening as we settle for the evening...usually Mexican Train of sorts with domino's

That is about it...JUST DO IT...and have fun!

There is some additional information on this topic at: https://www.safekids.org/safetytips/field_risks/boating

Geoff Tharner, Owner

Do Not Leave Home without it!

- Engine spare parts (fuel filters, water pump impellers, oil, etc.). Same for dinghy
- Layered clothing to account for different types of weather.
- Duct tape....fixes everything LOL, (self amalgamating tape is quite good for water leaks)
- Sunglasses and hats.
- Sunscreen.
- First Aid kit – see Safety section for a suggested list of items to include.
- Make sure all flares, safety equipment, life jackets up to date.
- Dinghy patch repair (inflatable)
- Emergency wooden hole plugs.
- Toilet paper (LOL).
- Rain gear.
- Passports, NEXUS cards if crossing border, vaccination records as required.
- Wallet (credit cards, etc.).
- Pleasure Craft Operator Card
- Boat license, copy of insurance, bill of sale.
- Some blank bank checks (cheques) in case of emergency.
- Boating plan with emergency contacts.
- Spare shoes or boots.
- Working gloves.
- Tools for engine and other repairs.
- Extra cotter pins, shackles, roll pins (especially for sailboats)
- Fuel and water top up.
- Phone chargers

SYC RECIPROCAL GUEST PROGRAM

Reciprocal clubs are welcome to use our reciprocal program. This makes it possible for our members to have these cost savings when we visit other clubs.

BLAINE HARBOR IN BLAINE, WASHINGTON

Blaine Harbor offers cruisers a hometown experience with easy access to Interstate 5 making travel north to Canada or south to Seattle a breeze. Downtown Blaine is an easy 10 minute walk from the harbor or take advantage of our seasonal courtesy shuttle to the grocery store. Visit the [Blaine Chamber of Commerce](#) website to explore what makes Blaine Washington a special place to visit!

Short term stay

Blaine Harbor has over 750 feet of visitor moorage located at Gate 2. Upon entering the harbor, follow the breakwater past the boathouses, keeping the break water on your on your starboard side. Once past the boathouses, turn left. The visitor dock is the long side-tie dock connecting the shore to the boathouses. The visitor float is equipped with potable water, 30 and 50 a.m.p power, and a portable holding tank pump-out.

Group reservations

Large organized boating groups are encouraged to call ahead for moorage. The Boating Center Conference Room has been a popular venue for gatherings and pot-lucks.

Extended stays

For boaters looking to extend their stay, Blaine Harbor maintains a Loan-a-Slip and Sublease program. Loan-a-Slips are available for up to 14-day terms, and Subleases are available on a monthly basis. To inquire about availability, please check at the harbor office or call (360) 647-6176.

Contact the Harbor Office

Hail the Blaine Harbor Office on VHF channel 16 or by phone at (360) 647-6176 as you approach the harbor, and staff will direct you to available transient moorage.

SYC Reciprocal Moorage at Blaine Harbor:

Port or starboard tie, no rafting, Water, and electricity available.

SYC reciprocal moorage is for one vessel up to 50 feet (overall), on the visitors dock at Blain Harbor Marina Gate 2' first come first served, no reservations, no rafting. Two (2) consecutive nights per month at visitor dock, gate 2. These 2 consecutives must be separated by 7 nights out. Additional moorage at regular rates may be available. Please register at the harbor master office and present member card. Fly your Yacht Club Burgee. There is a small fee of \$5.00 per night for electricity.

Visitor and Transient Moorage Rates

Visitor Moorage Rates Effective February 1, 2020

Visitor Moorage: \$1.10/ft per day.

Visitor Power: \$5 per day.

SYC RECIPROCAL MOORAGE & FACILITIES

The SYC Reciprocal Program is the **BIGGEST VALUE THAT YOU RECEIVE FOR YOUR MEMBERSHIP**. If you cruise regularly, you can easily recover two or three times your membership cost by using this program. All you need to do is stay two or three nights in a reciprocal club where moorage is often free (minimum electrical charge). Reciprocal privileges are a courtesy so fly your burgee, observe the reciprocal club rules, and say thank you when you leave. **The list printed in the Annual is incomplete, so be sure to check on the SYC website or Yacht Destinations (see below) for the most complete information.**

Use the Pacific NW website “Yacht Destination” (www.yachtdestinations.org). Semiahmoo Yacht Club has reciprocal with nearly every NW yacht club (approx. 152 clubs). This site lets you easily determine places you can visit, get phone numbers and read the rules.

Here is how it works:

- Go to www.yachtdestinations.org
- Create an account using the button on the upper right of the home page.
- After you have an account, log in.
- Click on the “Destinations” tab to see a map of reciprocal moorage locations.
- Either:
 1. Click on “details” to see a list of all the clubs, click on the club name for more information.
 2. Click the yellow flag, then “reciprocal moorage” for information.

SYC Giving Back To Our Communities

Our SYC members represent many communities across both sides of the United States and Canadian border, but we share one larger and common community which is our incredibly beautiful and extended cruising ground! With a diverse group of members, we share common traits of generosity, caring and giving back to our community.

Over the past years, SYC has contributed to several organizations across our communities. These include The Plover, Drayton Harbor Maritime Society, The SeaDoc Society, BC Marine Parks Forever Society, Boys and Girls Club of Blaine, Blaine Chamber of Commerce, Blaine Sea Scouts and the Turnpoint Lighthouse.

Giving back to our community is important, and SYC is proud of our members that give so generously with their resources (money, food and other goods, time and knowledge). We look forward to our 2023 Cruising Season and the continued generosity of our members.

DRAYTON HARBOR MARITIME: The Historic MV Plover has been operating for the past 24 years as a public passenger ferry. Beginning in 1944 and for the next 20 years the little ferry transported cannery workers back and forth across Semiahmoo channel. The Plover then spent another 18 years reconfigured as the harbor tug assisting the cannery's water operations until its retirement in 1982. After a 7 year effort Drayton Harbor Maritime (DHM) restored the ferry to its original configuration, and relaunched her in 1996 for her third career.

For the latest projects by Drayton Harbor Maritime, please click on:

<https://www.facebook.com/draystoharbor-maritime/>

THE SEADOC SOCIETY: Based on Orcas Island, the mission of the SeaDoc Society is to ensure the health of marine wildlife and their ecosystems through science and education. SeaDoc conducts and sponsors ground-breaking marine research to uncover the environmental factors threatening to unravel the web of life in the Salish Sea and surrounding watersheds. Their work is made possible by donor support. The team focuses on scientific research and conservation of species from killer whales and other marine mammals to sea birds, forage fish, sea stars and much more. They also promote youth education and outreach efforts throughout the entire Salish Sea to build awareness of the ecosystem and its threats, with the aim of impacting policy and ensuring its future. Get free updates from SeaDoc at <https://www.seadocsociety.org/>

MARINE PARKS FOREVER: The Marine Parks Forever Society (BC) is an all-volunteer registered non-profit founded by the Council of BC Yacht Clubs in 1990. They have contributed more than \$2 million to the betterment of over twenty marine parks. They have an extensive installation of over 186 Stern ties to protect the environment and make safe anchoring for boaters. Marine Parks are also exploring ways to make the stern ties more visible while keeping them environmentally safe. Washington State Parks contacted BC Marine Parks Forever regarding our stern ties, floats and mooring buoys. This cooperative exchange recognized what the Society has done in BC Marine Parks.

The Society launched a new website last year (www.bcmpfs.ca) which includes a page for the stern ties with small charts showing how many and the general locations where on the beach you'll find them.

Please see the online donation form and a link for American citizens to support BC Marine Parks. Donors will receive a charitable donation receipt eligible for U.S. tax. We're hoping this will encourage U.S. recreational boaters in the Pacific Northwest will take advantage of it to show support for BC Parks they use.
